### **American Radiosurgery Attends the Congress of Neurological Surgeons Meeting in Washington, DC**

Over 2,200 Neurosurgeons Participated in the Annual Meeting-American Radiosurgery Exhibits for 10<sup>th</sup> Consecutive year

San Diego, CA, October 7, 2011 - American Radiosurgery, Inc. announced today that the company has successfully exhibited at the annual scientific meeting of the Congress of Neurological Surgeons held October 1-6, 2011 in Washington, DC.

“This is a tremendous forum to showcase the technology of the RGS Vertex360™,” said Mr. Ravi Joglekar, President of American Radiosurgery, Inc.

Mr. Joglekar added, “Exhibiting at this conference gives us enhanced exposure to international neurosurgeons who remain very impressed with our technology and the cost effective pricing of our RGS Vertex360™.”

American Radiosurgery, Inc., is based in San Diego, California and is a neurosurgical/radiosurgical device company providing advanced technology for the non-invasive treatment of brain tumors and other brain disease entities.
