### **Mr. Ravi Joglekar is appointed as President of American Radiosurgery, Inc**

San Diego, CA, September 1, 2011 - American Radiosurgery, Inc. announced today that it has appointed Mr. Ravi Joglekar as its new President.

“Mr. Joglekar brings over 30 years of solid international business experience to our team. He has the capability to dramatically increase the penetration of the RGS Vertex360™ in the international markets,” said Mr. John Clark, the CEO of American Radiosurgery, Inc.

Mr. Joglekar added, “There exists tremendous potential for the RGS Vertex360™ as well as the RGS Orbiter™ in the overseas market. I anticipate expanding the sales of the company’s product line and increasing its distribution channels in the very near future .”

American Radiosurgery, Inc., is a neurosurgical/radiosurgical device company providing advanced technology for the non-invasive treatment of brain tumors and other brain disease entities. The company is privately held and based in San Diego, CA.
